BIOSTATISTICS 100A – INTRODUCTION TO BIOSTATISTICS

The Biostatistics 100A Waiver Examination will be given:  
Wednesday, September 6, 2017  
9:00 am – 12:00 pm  
Room: 51-254 Massey Library

Students who wish to waive school requirements for Biostatistics 100A must have taken a college-level course equivalent to Biostatistics 100A, AND pass the waiver examination.

Students who plan to take the exam should email Roxy Naranjo at rlnaranjo@ph.ucla.edu no later than 12:00 noon Friday, September 1, 2017. When signing up, students must provide a copy of their transcripts showing they have taken a college level course equivalent to Biostatistics 100A (including the use of an appropriate statistical software package) and a copy of the syllabus for the course taken. Sign-ups are only official after the Chair of the Department of Biostatistics approves a student's request to take the waiver examination.

No written material may be brought to the exam. This examination is closed book. Calculators are allowed.

Most of the subject matter for Biostatistics 100A is covered in Basic Statistics: A Primer for the Biomedical Sciences, 3rd edition, O.J. Dunn and V.A. Clark (D & C) or Introduction to the Practices of Statistics, 3rd edition, David Moore & George McCabe (M&M). Relevant material can be found in the following chapters:

CHS 100--Introduction to Community Health Sciences

The Community Health Sciences 100 Waiver Examination will be given:  
Friday, September 15, 2017  
10:00 am -11:30 am  
36-070A CHS, CHS Conference Room

The exam will only be offered ONCE for the 2017-18 academic year. To request to take the exam, please submit the following form, https://form.jotform.us/71515477653159, by September 8, 2017. Students will need to provide an unofficial transcript demonstrating that they have passed a college-level course equivalent to CHS 100, and the course syllabus or course description.

Upon successful completion of the exam, students must file a blue petition with their home department to waive CHS 100 and must take a degree-appropriate elective to meet their program’s unit minimum requirement.

ENVIRONMENTAL HEALTH SCIENCES 100 - INTRODUCTION TO ENVIRONMENTAL HEALTH

The Environmental Health Sciences 100 Waiver Examination will be given:  
Wednesday, September 13, 2017  
10:00 am-12:00 pm  
EHS Student Room 56-081 CHS
EHS 100 is a school wide course requirement offered in the fall and spring quarters. Students who wish to waive the school wide requirement for EHS 100 must pass the EHS 100 Waiver Exam. To sign up, students must bring documentation of successful completion (B or above) of a course equivalent to Environmental Health Sciences 100. Students should also bring the course description from the school catalog where the equivalent course was taken and the course syllabus. You may take the waiver examination only after the instructor of EHS 100 has approved your request.

The deadline to sign up for the waiver exam is Wednesday, September 6th. Please contact Rebecca Greenberg at rgreenberg@ph.ucla.edu for more information.

**EPIDEMIOLOGY 100 - PRINCIPLES OF EPIDEMIOLOGY**

The Epidemiology 100 Waiver Examination will be given: Thursday, October 12, 2017

10:00 am-12:00 pm

Hollywood Room: 16-145 CHS

Epidemiology 100 is a schoolwide core course offered in the summer, winter, and spring terms. The waiver exam is offered ONLY ONCE EACH YEAR - in the fall term. Students who have previously taken a college- or graduate-level course in epidemiology may apply to take an exam to waive out of the course. Upon successful completion of the exam, students will not be required to take Epidemiology 100 but will be required to make up the units in accordance with their department's requirements.

To petition to take the exam, students must provide proof (e.g. a photocopy of transcript) that they have taken a course equivalent to Epidemiology 100 and provide a course description from the school's catalog or a course syllabus. Requests to take the exam must be approved by the Administrator of the Exam or the Department Chair for Epidemiology.

If you are interested in taking the Epi 100 Waiver Exam, submit the petition and required documentation to by https://form.jotform.us/71515827974164 by Friday September 29. Questions may be directed to Joy Miller, AAO at jdmiller@ph.ucla.edu.

**HEALTH POLICY AND MANAGEMENT 100**

The Health Policy and Management 100 Waiver Examination will be given: Thursday, September 14, 2017

10:00-12:00 pm

31-262 CHS Roemer Library

In order to waive HPM 100 as a degree requirement, students must meet the following three requirements: student must have taken an equivalent college-level course at a previous institution, earned a grade of B or higher AND successfully pass the HPM 100 waiver exam.

To sign up for the exam, students must bring a copy of their academic transcript identifying the equivalent course taken, and provide either a course description from the school's catalog or an actual course syllabus. Students will be required to present these documents to the SAO by the deadline below.

Please also note that requests to take the exam must first be approved by the Chair of the department. Students will be notified of the department's decision within 5 business days. After approval and successful completion of the exam, students must submit a blue petition to make the waiver of HPM 100 official and replace the units in accordance with their department's requirements.

If you are interested in taking the exam, please contact Anna Lim at apark@ph.ucla.edu by Friday, August 25, 2017.

Please refer to the course syllabi posted on the HPM web site for subjects covered on the exam: http://hpm.ph.ucla.edu/students-alumni/current-students/syllabi

No material(s) may be brought to the exam.
